Dear students and personnel of Hacettepe University,

A delegation of the administration of the Faculty of Medicine at KU Leuven (Belgium) visited Hacettepe University. At the meeting, academic cooperation studies regarding exchange of students of the Faculties of Medicine of the two universities and researches especially in the primary fields of area were determined to be conducted; moreover, it was negotiated and approved that an academic cooperation protocol would be signed between the Faculties of Dentistry and Medicine of the two universities.

Regards.

HU Office for International Education and Collaboration
