The Senate referred the matter of suspending education on October 30, 2015, Friday prior to the Republic Day providing that make-up classes would be held.

The Senate unanimously decided that education would be suspended on October 30, 2015, Friday, and that all classes of the associate, undergraduate and post-graduate programs (except for the students of the Faculties of Medicine and Dentistry at the health services unit) would be cancelled providing that make-up classes would be held.
